

Dear SASCRO colleagues

A. South African Journal of Oncology

The following articles have been published over the last six weeks in SAJO, (Vol 3).

1. Cumulative antimicrobial susceptibility data for a tertiary-level paediatric oncology unit in Johannesburg, South Africa
Nina von Knorring, Trusha Nana, Vindana Chibabhai, May 2019
2. Head and neck cancer in Africa
Sameera Dalvie, May 2019
3. Gastrointestinal stromal tumours at Inkosi Albert Luthuli Central Hospital from 2005 to 2015
Solomon N. Mutua, Frank Anderson, Nozipho E. Nyakale, Kalpesh G. Mody, May 2019
4. Diagnosis and staging of laryngopharyngeal tumours with flexible endoscopy: A prospective study
Hendrik K. Uys, Andrew Pelser, Rory Attwood, Shaun Adam, Amir Afrogheh, Jos Hille, James Woock, April 2019

The articles may be downloaded at <https://sajo.org.za/index.php/sajo>.

The total number of articles downloaded from SAJO is over 18,000

B. South African Congress of Oncology (9 to 11 August 2019)

There is an excellent program with local and international speakers, which has been coordinated by Prof Alicia Sherriff and her team.

The international faculty members are:

- Michael Boyer - Australia
- Cai Grau - Denmark
- Peter Hoskin - England
- Norm Laperriere - Canada
- Marianne van de Wetering - the Netherlands
- Daniel Vorobiof – Israel

The Archbishop Desmond Tutu distinguished lecture will be presented by Prof David Stones

There are approximately 700 delegates registered for the Congress.

If you have not yet done so, please register through the website at <https://www.saco2019.co.za/>

Kind Regards,
Raymond Abratt
SASCRO Chair
