SA Journal of Oncology: WWW.sajo.org.za

February 2021: 48. In the SASCRO Orbit – DHET accredits SAJO

Dear SASCRO Colleagues

We are pleased to let you know that the SA Journal of Oncology, has been accredited by the SA Dept of Higher Education and Training (DHET). The journal is included in the list of accredited journals distributed by DHET on 1 Feb.

Previously, the Journal had also received international accreditation from the Directory of Online Access journal.

DHET accreditation assists in meeting the journal's higher aims to publish the highest quality articles dedicated to oncology research and scientific reviews of practice from countries with mixed economies and globally. It gives a voice to clinical oncology researchers in our region.

This will be particularly our Universities who prefer that their staff publish in accredited journals and who can claim subsidies from DHET for such publications.

The URL for the Journal is <https://sajo.org.za/index.php/sajo>

We are incredibly grateful to the Journal's authors, reviewers, and its Editorial Board. SASCRO is the co-owner of the Journal with the publisher and there are other affiliated societies.

This has been a 4-year project from founding to DHET. We look forward to the steady growth of SAJO and to its contribution to Oncology regionally and globally.

The SASCRO Team
