Dear SASCRO Colleagues

An update on some recent appointments of radiation oncology colleagues:

- Jeannette Parkes has been appointed as the co-chair of the Paediatric Radiation Oncology Society (PROS) Committee for low and middle income countries (LMIC). Her responsibilities include teaching paediatric radiotherapy as well as developing and publishing treatment regimens for LMIC. She has been on the Teaching Faculty for recent courses held in Thailand and Morocco
- Sudeshen Naidoo has been appointed as the radiation oncologist on the Ministerial Advisory Committee on the Prevention & Control of Cancer, in South Africa – MACC. He will represent the interests of both the public sector and the private sector and is working in close collaboration with the public sector
- Raymond Abratt has been appointed as an Associate Editor of the South African Medical Journal (SAMJ) - pardon the self-reference. The SAMJ will publish oncology articles of general interest. The SA Journal Oncology, our SASCRO journal, will publish more specialised articles.

Yours Sincerely,

Raymond Abratt
SASCRO Chair
