Dear SASCRO Colleague,

I am delighted to let you know that Alicia Sherriff has been appointed Head of Oncotherapy at the University of Free State.

Alicia has distinguished herself in Bloemfontein and nationally through her professional skills, particularly in patient care and training. She has earned the respect of colleagues both in and outside of Radiation Oncology.

Alicia is also President of the College of Radiation Oncologists of South Africa and is a committee member of SASCRO.

Alicia's appointment is a source of pride for our Radiation Oncology community.

I congratulate Alicia on behalf of SASCRO members

Kind Regards,

Raymond Abratt
